OF
REGIONAL AND NATIONAL BUSINESSES AND FINANCIAL INSTITUTIONS

1. Please share this information with your regional or national corporate officers. There needs to be a national understanding of the severe impacts from failure to amend the Secure Rural Schools and Community Self-Determination Act, PL 110-343, before its final year in FFY2011.
2. Communicate to your Congressperson and your two U.S. Senators your company's concern about this issue. Ask your regional and national corporate officers to do the same.
3. Help your county officials identify other major businesses in the community that might be interested in this issue.
